ABOUT ME

I'm a tech enthusiast who's always ready to take on anything "techy." I'm curious, creative, and passionate about learning. I love technology—yes—but I also care about communication, design, empathy, and impact. I approach everything with patience and purpose. Outside the screen, I value meaningful conversations, quiet moments, and growth. I'm a listener, a deep thinker, and someone who believes that kindness and initiative go hand in hand.

EDUCATION

2016 - 2022 DAVAO CITY NATIONAL HIGH SCHOOL

During junior high school, I was part of the Special Program in Foreign Language (SPFL), where I studied Spanish for four years. I was accepted into the program based on my strong performance in language subjects during elementary. In senior high school, I pursued the STEM strand under the technology Innovation category.

2022-2025 UNIVERSITY OF THE SOUTHEASTERN PHILIPPINES

I'm currently taking up BSIT, majoring in Information Security. Throughout my college years, I've been a consistent Dean's Lister in every semester, reflecting my dedication, discipline, and passion for learning—especially in areas like cybersecurity,
